

2019-2020 CoroRio Tuition & Activity Fees

It is our policy to make CoroRio an affordable option for any student who has interest and ability, regardless of their family's financial status. If CoroRio is something that you desire to commit to, we hope that you will let us know if financial constraints are a concern. The Mississippi Arts Commission grants us money each year to help make our program an affordable opportunity for all of our families through tuition scholarships. A few other discount options are listed below as well. Our Executive Director, Joelle Norris, will be happy to work with you to come up with a solution that will work for your family and address any questions or concerns. The following chart outlines payment options for tuition and activity fees. The first tuition amount reflects the full tuition cost paid monthly for 10 months. The second amount reflects a \$100 ad referral discount for those who wish to participate in that program. (Ex: Nino tuition is \$60/month, or \$50/month if you sell an ad for the annual program book.)

The activity fee is a one-time annual fee that helps cover each singer's scarf/tie, CoroRio t-shirt, music, retreat supplies (lodging and food for CA, CR, CF), concert expenses such as venue rental, instrumentalists, program printing, etc. It can be paid in full at the beginning of the year or lumped in with tuition payments and divided evenly over the course of the year. *This fee is all-inclusive so you won't have to worry about other unexpected costs popping up throughout the rest of the year.*
