

*Choir Group Photos & Individual Headshots*  
*Kate Brent Photography*

*Dear Parents,*

*I am so excited to be working with your children this year and thrilled to be asked to provide you with quality portraits of your students. We will be completing these images for the 2019-2020 program and will also be able to provide you an opportunity to purchase your child's image as well as their choir's group portrait. As well as a digital download option, we will also be offering print options for those of you that would like to have your portraits printed by our studio and delivered to you at your child's choir practice.*

*So that you know what to expect, we have included a few of our print and pricing options for you to look over. We have created custom pricing for your students as we will be taking over 200 portraits over the course of the next few weeks. All of this will be done via an online ordering system that is convenient to you! That link will be provided once the proofs are completed in October.*

***Digital Download:***

*\$25 per image*
